Description :

Prsentation de l'diteurThis special edition Ebook features exclusive extra content by the author, with an extended Historical Note and two contemporary accounts of the Battle of Poitiers.Go with God and Fight like the Devil.The Hundred Years War rages on and the bloodiest battles are yet to be fought. Across France, towns are closing their gates, the crops are burning and the country stands alert to danger. The English army, victorious at the Battle of Crecy and led by the Black Prince, is invading again and the French are hunting them down.Thomas of Hookton, an English archer known as Le Btard, is under orders to seek out the lost sword of St Peter, a weapon said to grant certain victory to whoever possesses her. As the outnumbered English army becomes trapped near the town of Poitiers, Thomas, his men and his sworn enemies meet in an extraordinary confrontation that ignites one of the greatest battles of all time.Revue de presseThe first must-

read of 2013 arrives. Bernard Cornwell is a master of combining a thumping good tale with a fascinating history lesson. (Reader's Digest) In addition to carving out another action-packed martial adventure, Cornwell spotlights one of the most significant but often overlooked battles of the era. (Booklist) No one picks a fight like Cornwell, who here does for the Battle of Poitiers what he did for the bloody fray that was Agincourt in the book of that name. (Library Journal) A master of action-packed historical fiction: a vivid, exciting portrayal of medieval warfare. Nobody writes battle scenes like Cornwell, accurately conveying the utter savagery of close combat with sword, ax, and mace, and the gruesome aftermath. (Publishers Weekly (starred review)) Bernard Cornwell does the best battle scenes of any writer I've ever read, past or present. (George R.R. Martin) Nobody in the world does this stuff better than Cornwell - action set six hundred years ago is as fresh and vital as six days ago, with rough, tough men at war, proving once again that nothing changes... least of all great storytelling. (Lee Child) The reigning king of historical fiction. (USA Today) Bernard Cornwell is a gifted and prolific historical novelist who seems at home in virtually every era. A lively, accessible account of a remote moment in European history, a book in which Cornwell's gifts as scholar and storyteller come together spectacularly. (Bill Sheehan, Washington Post) Tired of waiting for another of George R.R. Martin's Game of Thrones books? Cornwell's latest novel may be your best option. (Billy Heller, New York Post) Cornwell is one of the best writers of historical fiction. (McClatchy News) The legions of Cornwell's fans will need little encouragement to devour this latest installment in the Hundred Years War sequence. Everything you expect of a Cornwell offering is here in abundance: interesting characters, rich historical detail, thrilling battles, war, violence, gore, heroism, wry humour. Highly recommended. (Historical Novels Society) Presentation de l'auteur This special edition Ebook features exclusive extra content by the author, with an extended Historical Note and two contemporary accounts of the Battle of Poitiers. Go with God and Fight like the Devil. The Hundred Years War rages on and the bloodiest battles are yet to be fought. Across France, towns are closing their gates, the crops are burning and the country stands alert to danger. The English army, victorious at the Battle of Crecy and led by the Black Prince, is invading again and the French are hunting them down. Thomas of Hookton, an English archer known as Le Btard, is under orders to seek out the lost sword of St Peter, a weapon said to grant certain victory to whoever possesses her. As the outnumbered English army becomes trapped near the town of Poitiers, Thomas, his men and his sworn enemies meet in an extraordinary confrontation that ignites one of the greatest battles of all time.
