Description :

Prsentation de l'diteurA Day in Silence is about a simple method to sit with yourself face to face and know your inner core. It's an eBook which you can complete under an hour but can use it for a lifetime. And once you begin to use this core technique it would magically transform your life.Prsentation de l'diteurA Day in Silence is about a simple method to sit with yourself face to face and know your inner core.
