Biographie de l'auteur

Hi, my name's Victoria Bampton, and I'm the author of the 'Adobe Lightroom- The Missing FAQ' series of books. I'm an Adobe Community Professional and Certified Expert, but more importantly, I'm a real user, just like you. You probably recognize my name from one of the many Lightroom or other photographic forums I frequent. I love spending time helping Lightroom users get the best out of the software! In fact, that's where this book started - certain questions come up repeatedly on the forums, and none of the available books seem to answer them - or if they do, you have to read the entire book to find the answer. I wanted to be able to recommend an easy reference book - one that you can pick up and skip straight to the answer you're looking for - but there wasn't one. Instead, I sat down and compiled a list of questions directly from the forums, and wrote jargon-free answers as if I was answering a user on the forums. This is the information you actually want to know, in an easy reference format. It's as simple as that!
