Description :

Prsentation de l'diteur
In this book, Lee, Pat and their friend Tom learn about all kinds of animals. They learn about animals we keep as pets. They learn about animals on farms, and they learn about animals that live in the wild. All the details in the book are revealed in language (words and structure) that has been rigorously selected to be as simple and understandable as possible for young readers. For example, did you know that just 25 most commonly used words make up about one-third of all words written or spoken in English? The first 100 most frequently used words make up about one-half of all written and spoken English. By the end

of the 12-book Word by Word series, children will have learned the 1,000 most frequently used words which comprise more than 99% of all written and spoken English. The content of all Word by Word readers is based on extensive, diligent research into the most frequently used English words and structures. The key sight words and structures are presented gradually and systematically throughout the series. For example, all new words and structures are repeated at least 15 times subsequent to their first appearance in the series. This ensures effective and rapid learning as well as maximum retention and comprehension. It is this very systematic control of vocabulary and structure that makes Word by Word graded readers unique. All the books in the series have been extensively trialed and repeatedly improved over a period of many years and are now proven to be extremely effective in building functional literacy in children of many ages and nationalities, including the author's own children. The series consists of 12 books in 4 levels, plus 2 books at 'pre-reader' levels. Pre reader, Book A: The Alphabet Book Pre-reader, Book B: The Number Book Level 1 Book 1: Lee and Pat Book 2: Lee and Pat Like to Play Book 3: Lee and Pat Go With Daddy Level 2 Book 4: Lee and Pat Go to School Book 5: Lee has a Friend Book 6: Lee and Pat Like Animals Level 3 Book 7: A Very Good Week Book 8: Let's Go Shopping Book 9: Pat's Birthday Level 4 Book 10: All About Animals Book 11: Our World Book 12: All About People By the end of the series, the child will have learned to read and understand all of the most important English words and structures. At this point, the child will be functionally literate and fully capable of independent reading.
