Description :

Prsentation de l'diteurA man escaping from a hotel fire sees a woman standing beneath a tree. He approaches her and sets in motion a series of events that will change his life forever. Years later, traveling from New England to Florida by train, he reflects back on his obsession with this unknown and ultimately unknowable woman - his courtship of her, his marriage to her, and the unforgivable act that ripped their family apart.Spanning three decades from 1899 to 1933, All He Ever Wanted gives us a tale of marriage, betrayal and the search for redemption. It has the unmatched attention to details of character, place and emotion that

have made Anita Shreve one of the world's best-loved and bestselling novelists. Vidar Hardeng, *DISABILITY TIMES* 'Is a winner, this novel is characterised by rich emotional complexity and the publishers have, I think, successfully highlighted Shreve's specific style of describing the same events from the perspectives of different characters in this multi-voice recording. As the story unfolds, a range of secrets, promises lies and truth are revealed; this is a book which holds your attention right to the end.'
