**Par S J Watson : Before I Go To Sleep** before purchasing it in order to gage whether or not it would be worth my time, and all praised Before I Go To Sleep:

**Description :** Description du produitBased upon a deceptively simple premise, Watson's debut novel unwinds as a story that is both complicated and compellingly hypnotic. . . Watson writes in the first person, from the perspective of a woman, and the voice is surprisingly spot-on. The angst is unimaginable but palpable in this suspenseful story of a woman who can take nothing for granted. Watson's pitch perfect writing propels the story to a frenzied climax that will haunt readers long after they've closed the cover on this remarkable book. --Kirkus Reviews (starred review)
