Prsentation de l'diteurDon't You Want Me? is the second novel by bestselling author India Knight.Sex - there's a lot of it about. So why isn't Stella getting her fair share?Admittedly she's got a few handicaps: she's the wrong side of thirty-five and a single mum (to the adorable Honey), while her hot-blooded Frenchness turns English men pale. Mind you, the men she meets are either perma-tanned show-offs or poorly socialized podgers. On lot have shockingly shiny white teeth; the other lot have, well, wives. What's a girl to do?Dividing her time between London's most PC playgroup (most popular kids' names: Ichabod and Perdita) and lessons on the art of pulling from her cheeky housemate Frank (shame he's got ginger hair everywhere), Stella is seriously starting to wonder if she'll ever have sex again.'Miles funnier and ruder than anything else
