Description :

Prsentation de l'diteurAbout to write your dissertation? Did you start the work and then get stuck? Don't worry, help is at hand - and now there's a revised edition!The highly practical book is full of useful advice and tips on how to write your thesis, taking you through the whole process from getting started and collecting data to handing it in. The information Denis Feather provides here is based on many years of teaching research methodologies and supervising students at all levels.'Couldn't put it down not something I've ever said about a textbook! The information is easy to understand but doesn't patronise and the review

sections are a great idea. It's like having your own personal tutor next to you explaining the concepts.' Kath, University of Huddersfield'[Feather] speaks to you in a conversational manner as though it were over a cup of tea making you truly understand what academics are expecting from your thesis.' Celine, United International Business Schools, Brussels
