Punk rock is in Emily Black's blood. Her mother, Louisa, hit the road to follow the incendiary music scene when Emily was four months old and never came back. Now Emily's all grown up with a punk band of her own, determined to find the tune that will bring her mother home. Because if Louisa really is following the music, shouldn't it lead her right back to Emily?Revue de presse'A wonderfully written and evocative story of a mother and daughter, parted by circumstance and joined by music. I heartily recommend it.' - Irvine Welsh, author of TrainspottingPresentation de l'diteurA raw, edgy, emotional novel about growing up punk and living to tell. The Clash. Social Distortion.
