Description :

Prsentation de l'diteurIn an action-packed tale of secrets and lies in small town America, Chet Walker is a man forced to make decisions that will affect his future and the life of the woman he loves. Witness to a car crash and in receipt of a cryptic message from a dying man, traveling musician, Chet Walker, reaches the picturesque lakeside town of Lucky Shores. He faces hostility and suspicion from the locals and learns that the information he carries could unlock an eight-year-old mysteryit could also get him killed. Josephine Dolan, owner of the Lucky Shores diner, wants to bury her past. When Walker arrives with a message from her father, she doesn't want to hear it. She cuts him cold. When his life is threatened, Chet Walker learns the

truth behind the saying: no good deed goes unpunished. What Advance Copy readers say: On Lucky Shores is the best novel of its genre I have read in the last 10 years. Written in the smooth style I've become accustomed to from this exceptional author. This suspense thriller represents a 180 degree shift from his DCI Jones Casebook series and is so well paced that I had no choice but to turn page after page, and get annoyed when I had to stop reading to perform some menial day to day physical act, other than to keep on reading. Everything about the book keeps you wondering, and there are just enough twists in the story to imitate one of the winding switchback roads leading down the Rock Mountains to Lucky Shores. Kudos to Mr. Donovan, and 5 stars at a minimum! David Wind, author of The Nevaeh series of fantasy novels. "...action-packed adventure ... superb ..." Sophie Bristow Harris, host of 'Kindle Suggestions'
