Description :

Prsentation de l'diteurIn his latest book, Scott Kelbytheworld's #1 best-selling author of photography booksshare his professional sports photography workflow from beginning to end.Scott struggled for more than a year to come up a fast, efficient workflow, and had a really hard time finding other sports shooters willing to share their secrets. So, once he had his workflow down, and since he had so many people asking about it, he knew he just had to share it here, step by step, without leaving anything out (he even includes all the things he learned the hard way).Prsentation de l'diteurIn his latest book, Scott Kelbytheworld's #1 best-selling author of photography booksshare his professional sports photography workflow from beginning to

end.Scott struggled for more than a year to come up a fast, efficient workflow, and had a really hard time finding other sports shooters willing to share their secrets. So, once he had his workflow down, and since he had so many people asking about it, he knew he just had to share it here, step by step, without leaving anything out (he even includes all the things he learned the hard way).
